

4-Year Old Kindergarten

Trinity Christian School is pleased to announce the opening of a half-day K4 program for the 2011-2012 school year. This class is open to students who will be 4 years old on or before September 1, 2011. The Trinity K4 program will feature the strong academics from a distinctly Christian perspective that characterize the entire TCS educational program. Students will be given a strong foundation for reading by learning the phonetic sounds of letters. They will also begin to develop skills in mathematics, as well as doing unit studies in science and social studies. Bible will be a part of the daily curriculum as well. In addition, K4 students will have instruction in art and music each week.

In addition to developmentally appropriate academics, students will have ample playtime, field trips, special guests, and active learning experiences.

Times: 8:30 – Noon Monday through Friday

Tuition: \$2400 per year plus \$200 registration fee

Tuition discounts available if older siblings are enrolled at TCS

Curriculum: The K4 program uses the A Beka curriculum for phonics, reading, and math. In addition, teacher created units in science, social studies and Bible are used. K4 students will also have instruction in art and PE on a regular basis, and will participate in the weekly elementary chapel time. The program is designed to flow seamlessly into the Kindergarten program at TCS.
